In re Application of :
Darrell R. Anderson, et al :
Application No. 08/487,550 : DECISION ON PETITION UNDER
Filed: June 7, 1995 : 37 CFR 1.48(a)
Attorney Docket No. 012712-131 :

This is a decision on a November 21, 1995 petition under 37 CFR 1.48(a), requesting correction of the inventorship and on the paper of May 1, 1996 filed in support thereof, which timely responds to a March 28, 1996 Requirement for Information.

The §1.48(a) petition to correct inventorship is Granted.

The Requirement for Information required a new § 1.63 declaration and a § 3.73(b) certification, which were submitted on May 1, 1996.

Based on the file record as a whole and the facts as set forth in the Requirement for Information and in the statements now of record, the error in inventorship occurred without deceptive intent and was diligently corrected.

The application is being returned to the Initial Patent Examination Division of the Office of Initial Patent Examination for further processing, including issuance of a filing receipt, with the names of the inventors as shown on the executed declaration under 37 CFR 1.63 filed on May 1, 1996.
